Bike for Little Heroes!

Presented by **RedWhiteandBike**

Bike for Little Heroes

Children of our soldiers, especially those soldiers who have been wounded or will not be coming home, make a special sacrifice. Operation **RedWhiteandBike** are dedicated to recognizing this sacrifice of these little heroes, the young sons and daughters of our country's Purple Heart recipients.

By participating in the *Bike for Little Heroes* ride, you help give the special gift of a world-class bicycle, from an American Company, to a child of a special member of our armed forced.
